My dear Anne,  
Like a dolt  
as I was I forgot  
to tell you that  
there was only trim-  
ming enough for  
three night gowns.  
Sarah first home  
3 last night, &  
you never saw  
any thing more  
beautiful. I think  
it wicket to sew so.

Ms. A. 4. 2. 30. 53

I took the responsi-  
-bility of choosing the  
futures & think them  
pretty. I shall send  
Baker on Saturday  
next for your  
dirty clothes. Have  
them ready in the  
boy or handboy, I  
sent the clean ones  
in, for I shall  
have nothing to  
put them <sup>in</sup> now be  
sure to do this as  
Baker will call.

Give my love to Mrs & i  
Miss Inctor — We  
are cleaning china  
close to day — I  
mean to drive on  
weather fine,  
ever Dear

Send the humming  
with clothes on sat.
